NAVAL MEASURE PASSES SENATE

UPPER BODY ADDS SUBSTANTIAL SUM FOR FORTIFI-CATIONS.

CARRIES OVER \$150.000,000

Contemplates Building Factory to Make Armor Plate-Nine More Submarines Added to House Bill.

Washington, D. C. - Congress worked away steadily yesterday and last night on its task of clearing up supply bills, which must be out of the way before adjournment March 4. The senate passed the navy bill,

\$152,000,000; the fortifications bill, \$6,-000,000, and the diplomatic bill, \$4,-200,000, while the house spent the day in debating the general deficiency measure, with interruptions now and then to dispose of conference reports. The senate added about \$8,000,000 to the naval bill as it passed the house, providing in the two-battleship construction program for five sea-going submarines instead of one; for 16 instead of 11 coast-defense submarines; for a gunboat and a hospital ship, and adding \$1,000,900 for an armor plant and \$500,000 for a projec-

tile factory. You Can Never Tell. Senator Smoot vainly sought to have authorized the construction of 50 seagoing and 25 coast submarines, declaring that "no man can tell when the European disturbance will involve this country in difficulties."

The fortifications bill was passed without amendment, so it now goes to the president for his signature. Some \$250,000 was added to the diplomatic bill, and a paragraph calling on the president to collect from Cuba \$6-600,000, the expense of the American army of pacification in 1909, was

stricken out on a point of order. The house agreed to most of the senate amendments to the army bill, but refused to accept several, including one eliminating the prohibition against stop-watches and other speeding-up" methods in army shops.

IF BACK HURTS CLEAN

Drink Lots of Water and Stop Eating Meat for a While If the Bladder Bothers You.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.—Adv.
